Subject: Change of address and lat/long for Blades

Anita,

As usual, GDIT didn't like our address or lat/long location for Blades. Could you please change the Blades info as below:? Connor said he could do a lat/long thing if you need that.

Address: Near Triangle Park at intersection of W. 7th Street and 8th Street

And the lat and long to: Latitude 38° 37' 53.9184"N Longitude: *-75° 36' 37.6812" W
(38.63164376410 North) (-75.61046748590 West)

Thanks very much!

Lorie
